Summary

I am a Bachelor of Science student in Information & Communication Technology at the Ghana Institute of Management & Public Administration, and I am passionate about pursuing a career as a data analyst. With a keen interest in data analysis, I completed a Google certification course in [Data Analytics](#) in December 2022 where I acquired skills in [Data Cleaning](#) to [Performing Data Analysis using R Programming](#). I have a solid foundation in IT Auditing, Software Engineering, Database Design, Computer & Information Security, and Object-Oriented Programming. I am excited to apply my skills and knowledge in analyzing complex data sets and providing valuable insights that drive business decisions.

Education

Bachelor of Science in Information & Communication Technology

Sep 2019 - July 2023

Ghana Institute of Management and Public Administration

- **Cumulative GPA:** 3.53/4.0
- **Relevant Coursework:**
 - IT Auditing: Developed audit strategies and techniques to evaluate and manage risks in IT systems.
 - Software Engineering: Incorporated design thinking skills and knowledge of the software development cycle in developing prototypes of solutions to a commercial problem.
 - Database Design: Designed and implemented relational databases using SQL.
 - Computer & Information Security: Analyzed and assessed security risks in IT systems and developed strategies to mitigate them.
 - Advanced-Data Communications and Networking: Explored network protocols and architectures for wired and wireless networks.
 - Object-Oriented Programming: Developed software using Java and Python.
 - Project Management: Developed project plans, schedules, and managed project resources.

High School Diploma – General Arts

Sep 2014 - Apr 2017

Mfantshipim Senior High School

- **Activities:**

- President - Photography Club: Organized and led club activities, exhibited photos at 141st Speech Day at Mfantshipim School and Rotary Club Cape Coast, 2017.
- Robotics Club: Built robots and participated in inter-class robotics competitions.

Certifications

Google Data Analytics – [Coursera](#) (December 2022)

Technical Skills & Languages

Software

- R (RStudio, R Markdown): Performed data cleaning, and analysis using R.
- Tableau: Created [visualizations](#) and dashboards to communicate business insights.
- Microsoft SQL Server, MySQL
- Microsoft Office: Proficient in Word, Excel, and PowerPoint.
- GitHub: Managed code repositories and collaborated with team members.

Skills

- Proficient in Tableau for data visualization.
- Skilled in using R (RStudio, R Markdown) for data cleaning and analysis.
- Proficient in using SQL to query and analyze data from databases.
- Familiarity with GitHub and Visual Studio Code for version control and project management.
- Knowledgeable in Microsoft Azure for cloud computing.
- Great work ethic and problem-solving skills.

Languages

- English
- Fante

Hobbies & Interest

- Photography: I enjoy taking photos of landscapes and people. Exhibited photos at 141st Speech Day at Mfantshipim School and Rotary Club Cape Coast, 2017.
- Computer Hardware: Builds, upgrades, and service computers as a hobby. I also have experience with assembling and troubleshooting hardware components.
